Newsletter no. 1
25 August 2014

It is with great pleasure that we announce the NOTOS 2015 International Philatelic Exhibition, scheduled to be held in Greece from 12 to 15 November 2015. "Notos" is Greek for "South" and this exhibition is meant to bring together philatelists from the European South along with their fine philatelic exhibits.

Twenty one countries will be invited, namely Albania, Bosnia and Herzegovina, Bulgaria, Croatia, Cyprus, Egypt, France, FYROM, Israel, Italy, Malta, Moldova, Monaco, Montenegro, Portugal, Romania, Serbia, Slovenia, Spain, Turkey and of course Greece. Exhibits from other countries related to the European South are also welcome.

NOTOS 2015 will be hosted at the Peristeri Exhibition Centre, a mere 15-minute underground ride from Syntagma Square at the very heart of Athens. The spacious exhibition hall will accommodate 800 16-page exhibition frames plus a rich collection of Philatelic Literature. All competitive classes will be present as well as a "Classe des Champions" for distinguished exhibits. FIP and FEPA accredited judges will make up the jury.

The philosophy behind NOTOS 2015 is very simple: As long as there are philatelists willing to exhibit, a team of qualified volunteers ready to prepare and run the show, as well as a suitable exhibition hall, the accomplishment of a fine philatelic exhibition is absolutely feasible.

Details to follow shortly!
