FEPA patronage: On 13 September 2014, during the Congress of the Federation of European Philatelic Associations (FEPA), convened in Lugano, Switzerland, the delegates unanimously granted FEPA patronage to NOTOS 2015. Patronage is the highest level of support offered to an exhibition by the European Federation.

Appointment of Consultant: Alfred Kunz from Austria, a FEPA Board member, was appointed FEPA Consultant to NOTOS 2015.

FEPA Congress 2015: In Lugano, the request of the Greek side for the next FEPA Congress to be held in Greece during NOTOS 2015 was also unanimously approved. The FEPA Congress convenes annually, it is a meeting of its 43 member-federations and it usually takes place during an important philatelic event. It therefore seems that the big celebration NOTOS 2015 is getting even bigger!

Individual Regulations (IREX): As soon as FEPA granted patronage to the Exhibition, NOTOS 2015 IREX were finalized by the OC. The Individual Regulations were then approved by the Consultant, uploaded on the Exhibition website, and were forwarded to the Philatelic Federations of the European South along with the invitations for the appointment of National Commissioners.

IREX highlights:

- Entry forms deadline: 31 March 2015
- 20 euro per frame or per Philatelic Literature entry
